

Services and e-resources

WHAT DO YOU NEED?

I need a full-text article

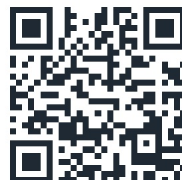

Article finder

Enter a DOI or title and go straight to the full text.

library.riverside.example/articles

I want to follow journals

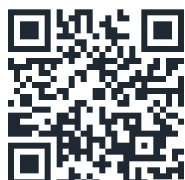

Journal browser

Browse journals by subject and get new-issue alerts.

library.riverside.example/journals

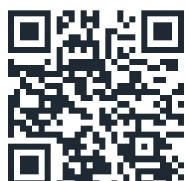

I'm looking for a book

Library catalog

Printed books, series and journals in our library.

library.riverside.example/catalog

E-books

E-books licensed by the library, online or as PDF.

library.riverside.example/ebooks

I want to publish open access

Open access agreements

Journals where publication fees are covered for you.

library.riverside.example/open-access

Repository

Our publication repository. We help you add your papers.

library.riverside.example/repository

I need a database

Database list

Subject databases, bibliographies and more.

library.riverside.example/databases

I'm working off campus

Remote access

Via VPN or proxy, everything here also works from home.

library.riverside.example/remote

We don't have what you need?

Interlibrary loan and document delivery: send us the reference and we'll get the book or article for you.

library@riverside.example
